

# Dress Code

---

While most students dress appropriately and safely for school, the School Board and school staff rely on students and parents to exercise judgment in promoting modesty, decency, and a sense of decorum so as not to disrupt the learning environment. School climate has a direct influence on student achievement, and the manner in which students dress is a significant factor in school climate.

This dress code will assist parents and students as they make decisions regarding daily attire that contribute to an appropriate, safe, and secure learning environment for all students. Students must dress modestly and in a manner that neither distracts from nor substantially disrupts the learning environment. In support of the *Code of Student Conduct* Dress Code, a student's appearance that is disruptive, distracting, or hazardous is prohibited.

The administration of each elementary, middle, and high school has the authority to notify students and parents of modifications to the dress code for spirit days and other school celebrations, as particular items pose a disruption, or as other circumstances warrant.
