

SUMMER OPPORTUNITIES

Henrico High School

SATURDAY AND SUMMER ENRICHMENT PROGRAM

Offered by the University of Virginia, the Curry School of Education will host the program for rising fifth through eleventh graders. The summer program is residential and provides academic enrichment for gifted and/or high ability students. Students will stay in the dorms on the campus of the University of Virginia.

Applications for the program are due by February 15, 2010. Candidates must submit responses to two writing prompts and request a recommendation from one teacher. Tuition for the program is \$1100.00. There is a \$25.00 application fee. Financial aid is available to accepted participants.

Applications are completed online through a secure website: <http://curry.edschool.virginia.edu/sep>

Paper applications are also available for download through the website. Further questions may be sent via e-mail: curry-sep@virginia.edu or by telephone: 434.924.3182.

MEDICAL SCIENCE INTERNSHIP PROGRAM

This five week summer program has been designed to expose high school students to the healthcare field as well as the research component of medicine. In addition to the hands on experience, students will also attend lectures from medical professionals and research with a laboratory mentor.

Applications are due on February 26, 2010 and may be downloaded at: <http://www.msip.vcu.edu>.

Benefits include having hands on experience in research, college and career preparation, developing writing and verbal skills as well as networking with medical professionals and other students.
