January, 2010

Seniors, you should have completed your college applications by now. The final deadline for some colleges is February 15, 2010. Please check your college information sheet to make sure you have met all deadlines. Most financial aid information or FAFSA should be reported by March 1, 2010. Check online or the college handbook to make sure you have the correct dates.

It is time for you to start taking a second look at the colleges you have submitted your applications. Please visit the colleges again to make sure you feel comfortable with your choices.

If your colleges require a mid-year transcript, please fill in a transcript request form found on Mrs. Cable's desk in the School Counseling Office. We will mail your mid-year grades to the college of your choice free after report cards go out. Remember, if you applied to UVA or UNC, you must submit your midterm grades yourself. This is a reminder – **DON'T LET YOUR GRADES DROP SECOND SEMESTER.** The colleges will require a final transcript and they expect you to keep your grades up.

If you receive a scholarship or grant, please let Mrs. Nicholas know in the School Counseling Office. You **DO NOT** have to accept the scholarship or grant but it is very important that you let her know.

Please let Mrs. Nicholas or your counselor know if you have been accepted to a college or university. Please bring your acceptance letter so we can put your paw on the bulletin board outside of the School Counseling Office. At the end of the school year, you can have your Panther paw for your scrapbook. We also like to share in your excitement!
